Top scoring band in each category for the day has score in boldface type.

Thank you to all the band members, band directors, bus drivers, chaperones, and fans for your outstanding cooperation with the showcase staff.
 Each band earned the maximum of 11 administrative compliance bonus points for your outstanding cooperation, sportsmanship, and sense of fair play.

A big thank-you to James Taylor, band director at Stuarts Draft High School and the school adminis for allowing us to use their facilities as a rain location. Thanks to Mr. Taylor for his help throughout

We welcome your comments by email to : bob@bobmoody.org
 We are always looking for new ideas for our showcase and suggestions of strong judges to add to our rotation list..

Note: again this year the music caption was divided between brass/woodwinds with 300 points and percussion with 100 points. This brought the total possible points to 1100, so we divided by 11 to get the band score back into a 100 point maximum.
 The formula for the first band is =IF(C4>0,(C4+D4+E4+F4+L4)/11,"")
 Subsequent bands would be C5, D5, etc. Then C6, D6 etc.
